

Diversity Internship Opportunity

About Tech Coast Angels

- Tech Coast Angels (TCA), the largest angel investor group in the U.S., has been fueling the growth of innovative companies and entrepreneurs in Southern California since 1997. TCA identifies, mentors and funds early stage companies to help get their ideas to market, and where TCA members devote their time, expertise and capital to help companies grow and succeed.

TCA members number about 400 and consist of experienced CEOs, senior executives, current and former entrepreneurs, venture capitalists and other professionals. Members not only invest but frequently serve on boards and assist companies with relationships, strategy, supply chain, team building and additional fundraising. TCA has an outstanding deal flow of opportunities and a simplified yet organized process for screening and completing due diligence.

Since 1997, TCA members have invested over \$230 million in more than 400 companies and have helped attract more than \$1.7 billion in additional capital/follow-on rounds, mostly from venture capital firms.

Internship Opportunity

- **1. Duties/Assignments:**
 - o Participate in company screenings (Friday AM or Tuesday PM) and the due diligence process
 - o Evaluate business plans, perform competitive analysis, test financial assumptions
 - o Ad hoc projects as needed (e.g. website, surveys, assist during meetings)
- 2. Logistics:**
 - o Flexible duration from October 2020 through June 2021

TECH COAST ANGELS

Diversity Internship Opportunity

- o Candidate must be currently enrolled as a student, preferably with a focus/interest in finance, business strategy, technology, or entrepreneurship
- o This is a non-paid, part-time position
- o All work can be performed remotely (via video/email/phone)

3. Benefits:

- o Witness the venture funding process from beginning-to-end, coached by investors
- o Get broad exposure to the active tech startup scene in LA and deal directly with the founders/CEOs (we evaluate hundreds of new startups each year)
- o Attend “members-only” TCA meetings and TCA-sponsored events
- o Be the first to hear job opportunities from TCA portfolio companies
- o Gain great experience for future opportunities in the VC/startup space
- o Meet great people and have a good time!
